Chief Executive - The Grimsby Institute Group

Salary £140,000 – £150,000

The Grimsby Institute Group is a successful and ambitious educational organisation offering excellent education at all levels to our learners.

We are a £48million organisation with our main campus in Grimsby together with other campuses at locations in Lincolnshire and North Yorkshire. We are well on the way to improving our 2013 Ofsted Good rating to Outstanding, and we are already one of the leading and most successful further and higher education providers in the country.

We wish to grow and innovate, searching for opportunities in new education and training markets. We are able to demonstrate our commitment to a growth strategy through new initiatives such as our 14-16 Academy and will shortly be opening Modal Training, our new centre of excellence for the logistics industry.

In a first for the Group, we have split the roles of Principal and Chief Executive and are now seeking an outstanding and innovative Chief Executive with the strategic vision to take the Group forward to meet the significant challenges and opportunities facing the sector over the coming years. Reporting to the Corporation, the postholder will have overall responsibility for the academic, commercial and strategic performance of the Group, as well as guiding its strategic direction. A key role will be to develop and strengthen links with our external stakeholders and the wider business community.

We welcome applications from senior managers both from within and outside of the sector. What is most important for us is a passion for education, together with the right mix of skills and experience to lead a successful and financially sound organisation. If you believe you fit the bill we would be delighted to receive your application.

The closing date for receipt of applications is Friday 27 November 2015 and interviews will be held on 14 and 15 December 2015.
